Work was completed to a high standard and everything left clean and tidy, I would have no hesitation in recommending them to my friends and neighbours **Customer in Fareham, 7 February 2012**

Wall ties to rear elevation and replacement of 3 lintels

Really pleased with everything about this company. Work completed to a very high standard and the area left tidy at the end of each day. Final bill was only slightly higher than original quote, but additional work had to be carried out that I had been forewarned about. I would be happy to recommend the company to anyone. **Customer in Portsmouth, 7 June 2011**

Re-pointing of semi detached house

Having read Checkatrade on this company I contacted them. They came, estimated and sent a quote within a week. A time and date was agreed which they kept to. As Russell, the proprietor, was unable to attend due to his wife giving birth, it was James who came and explained what he was going to do. When it was to wet to continue they worked over the weekend to get the job done. It looks good and both my wife and I am extremely pleased with the result and we would have no hesitation in recommending them. **Customer in Portsmouth, 1 November 2010**

I used this company because I found Russell to be extremely honest. Russell and James completed the work to a very high standard. I had complete trust in them, they are reliable and keep a tidy site.. Other companies tried to sell extra work, Russell advised me what was really necessary on this job. Thank you for your excellent service. **Customer in Chichester, 5 October 2010**
