Very reliable, quick and thorough. Patrick came to help in the true sense of the word EMERGENCY (10 minute wait) great service. **Customer in Waterlooville, 9 August 2011**

#### Unblocking backed up bath

10 / 10

Arrived when they said, and solved the problem. Both were polite and kept me informed as they went along. Would definitely use again. **Customer in Waterlooville, 23 May 2011**

#### New kitchen tap fitted, diagnosed and fixed toilet upstairs

9 / 10

Chris Moyles and Minty from EastEnders turned up when they said they would and fixed the job satisfactorily. They took 2 hours to do these two jobs but in fairness there were added complications such as having to get specialist parts for the toilet. Nice ring tone on mobile. I got them to quote for a new shower and TRVs and may well use them for these jobs in future. **Customer in Guildford, 19 November 2010**

#### Blocked drain.

At long last, honest and reliable people who put their customers first. A rare commodity in this day and age. **Customer in Guildford, 8 November 2010**

#### General services.

I have not commented on time keeping as they were held up in traffic on route to me. **Customer in Guildford, 13 October 2010**
