Installing new radiators and moving some

Team arrived punctually and covered shoes. Worked tidily and were very careful with flooring and furniture. Good to see apprentices there as part of team, carefully supervised gaining valuable experience. All very polite. Work completed to high standard. Would definitely use them again. **Customer in Edenbridge, 18 January 2012**

Faulty central heating

10 / 10

Very reliable and thorough. Called at time as arranged. We asked him to come out to look at our central heating which he duly did but also detected gas leaks in our kitchen hob and gas fire. Both issues were fixed quickly. Has also given us some sound advice about ongoing maintenance of heating and provided some good local tradesmen contacts. We would certainly recommend. **Customer in Edenbridge, 14 December 2011**
