Front garden astro-turfed and footpath block paved 10 / 10

I now have a low maintenance front garden, it looks smart and the particular type of astro turf that was put down looks so real and the cat won't walk on it! Mr C and his team worked like beavers. I am very pleased with the work done.

Brick Driveway 10 / 10

Saw another drive we liked on our road as new to area, and occupants recommended this firm. Very happy with the result, and they talked us through exactly what the work consisted of. Done in 2 days as quoted. Highly recommended.

Extend concrete patio area 10 / 10

A B Contractors and Sons quoted for and completed a small extension to our rear concrete patio area. The work was carried out on time and on budget, to a very high standard, and they also went to considerable effort to tidy up after themselves. Highly recommended. **Customer in Chessington, 12 April 2011**
