Repairs to shower

10 / 10

Richard did an excellent job - it required two trips due to some issues from a previous installation (Not his!) which he sorted out. Friendly, very prompt and got the problem resolved. Would recommend without hesitation. **Customer in Winchester, 1 July 2011**

Replacement bath/shower in bathroom and replacement shower/sink in ensuite.

Very nice person to deal with. Job was difficult to accurately price as I was dealing with un-discounted prices in the catalogue he gave me. Re time keeping, he had to delay his start date and through no fault of his own he couldn't work on Thursday and Friday of the first week thus delaying completion. I can't give a score of 10 for his quality of workmanship as his finish was a little disappointing but his plumbing ability was excellent. **Customer in Romsey, 17 May 2011**

Fitted a pump to shower.
