Repair to leaky roof

10 / 10

Mr O'Shea and his sons visited the same day I called him out and the roof was repaired within the hour. Everyone was very friendly and helpful, the price was very reasonable and I have no hesitation in recommending him. **Customer in Southampton, 24 April 2012**

18 sq metre balcony re furbished

8.8 / 10

I was particularly impressed with the way that the work was carried out. Everything was removed from the balcony including railings with no fuss and least amount of mess and inconvenience. The whole roof was then stripped insulated and asphalted, railings re-instated, painted where necessary and ready to be used in 3 days. **Customer in Southampton, 16 March 2012**

Repair of 3 slipped slates with lead and repair of baton underneath. Tony was very prompt in returning calls and visited within 48 hours, quoted and then did the repair 2 days later to a very high professional standard whilst I was away working. Such a relief. The job ended up being less serious than first thought on inspection and the price came down as a result. A credit to his trade. Highly recommended. Mark Moore Freemantle
