New drive and path laid 10 / 10
 We now have a block paved drive. Attention to detail was paramount by the contractor. The work was completed in the time given and the contractor was extremely keen to cause as little disruption to the householder as possible. The drive has been much admired by our neighbours and there is possibility of further business being obtained in the neighbourhood. Would happily recommend to anyone and the drive is there for all to see. **Customer in Wimborne, 20 March 2012**
