Hand built children's wardrobes and over bed cupboards

9.8 / 10

If you are looking for something to be created from scratch from your own or another design, then I would truly recommend AW Carpentry. The quality of their work is really outstanding and this combined with their attention to detail results in a high quality finished product. I would have no hesitation in recommending Ady and Max for their work and in fact they have been commissioned three times for work in our house. Cheers lads

Build and install mdf wardrobe

9.5 / 10

The wardrobe was built and fitted along a 2 metre wall with an awkward sloped ceiling. Adrian and Max worked hard, were pleasant to deal with and cleared up behind them carefully. From the outset, Adrian was patient and listened to our ideas, gave his own suggestions and was also able to show us many example photographs of completed work, which certainly helped to firm up our ideas. We are very pleased with the result and would not hesitate to recommend this company to others. **Customer in Reading, 20 February 2012**
