Very clear presentation of the various products available in our price range. Having engaged a+b, the installation proceeded ahead of schedule and without a hitch. The final result is most satisfactory and we have no hesitation in recommending this team. **Customer in Horsham, 6 January 2012**

I will be using Howard and Paul of A and B Flooring, again and again, it's very rare to find someone today who offers a product and service like they do. Very professional, thorough and detail conscious. I cannot fault their eye for detail and craftsmanship, very accommodating and considerate. Superb workmanship, the floor looks excellent and we are very very pleased with the service provided, I would fully recommend this company. **Customer in Worthing, 25 October 2011**

Laminated flooring for two dressmaking workrooms in the house.

I am thrilled with my rooms. The quality of the flooring is very good. Advice on type of flooring and samples left for me to think about. Time keeping was good. Fitting was excellent. The room was left clean and tidy and I did not have to lift any heavy furniture around. Good advice given in after care of flooring. **Customer in Horsham, 11 October 2011**
