Replacement Flat Roof with new Soffit and Facia

10 / 10

About Roofing removed my existing Felt Garage Roof (inc wood), Porch, Soffit, Facia and Guttering. My house is tiled which resulted in 4 rows of tiles having to be removed and replaced from 2 sides of the property also. The workmanship was very good and the site left clean and tidy each day. The entire process from start to finish took 3.5 days and I was kept upto date at each stage. I would recommend About Roofing ! **Customer in Aldershot, 21 February 2012**

Very impressed with all aspects of the work undertaken and the quality of the finish. Polite and courteous right from our first meeting, accommodating in allowing us to insulate the roof while they worked, and extremely generous with their time in dealing with an unexpected delay and bringing the job to a close. Absolutely no hesitation in recommending Mr Douglas and About Roofing. **Customer in Camberley, 21 January 2012**
