Mid contract on 28 week project

8.5 / 10

Mid way on long project involving merging two cottages into one, so far all work has been done competently, with good humour - excellent time keeping with good liaison between us and the architect and Abri.

kitchen fitted

10 / 10

Abri fitted a kitchen for me in 2004. The workmanship was excellent, they were tidy and reliable, courteous and the whole experience was a pleasure from the start to the finish. I was so impressed I had a conservatory built by them in 2006.

conservatory

10 / 10

I had a conservatory build in 2006. I had used Abri in 2004 and was very impressed with the workmanship, their time keeping and courtesy. I had the same experience when they came to construct my conservatory. Thoroughly professional and workmanship of high standard. I would recommend the company to my friends.
