### Recent Customer Feedback

**We are having an extension done and need to dismantle our current garage, which has asbestos in the roof.**

**The company efficiently removed the roof keeping to all health and safety requirements.** 9.75 / 10

The work was carried out efficiently and swiftly. **Customer in Clacton-on-Sea, 26 June 2017**

**Asbestos guttering collected.** 10 / 10

Good price quoted, speedy and efficient and great communication from the office. Certificate posted through the door as I was out, very easy process. **Customer in Colchester, 19 June 2017**

**Asbestos removal of floor tiles, 2 water tanks and 2 ceilings.** 10 / 10

All dealings with the company have been professional and cannot fault the service received and the job that was done. **Customer in Colchester, 31 May 2017**

**Shed roof.** 10 / 10

Chaps arrived on time. Very efficient and polite. Completed the work in the estimated timescale. Hope I find no more asbestos but if I do would certainly contact this company again. **Customer in Colchester, 4 May 2017**

**Making access into a ceiling void to inspect and report on the presence of asbestos in any building materials used there.** 10 / 10

The staff I spoke to when making the booking and with carrying out the work were helpful and provided all the information I needed to a tight time frame. I would certainly use the company again. **Customer in Beaconsfield, 4 May 2017**
