Swept my chimney

10 / 10

I can highly recommend ACE VAC. Rob Hudson was such a nice guy, explaining everything he was doing. He was punctual, polite, did not make any mess at all (which I was worried about). Very friendly - a joy to deal with. If anyone is looking for a chimney sweep don't look any further - call him. In fact I have already given his number to a couple of friends of mine. **Customer in Worcester Park, 30 January 2012**
