### Most Recent Customer Feedback

**To replace fence post and panels** 9.7 / 10

I found them efficient, courteous and did the job as requested. **Customer in Crawley, 4 March 2010**

**Culverting an open ditch and turfing** 9.8 / 10

Scott and his team delivered the agreed work and more. He was delayed slightly by weather and vendors which is the only reason we have not scored him a 10 on reliability / time keeping. As we were flexible when the work was ultimately completed this did not have an impact on the project.

We would definitely recommend Scott for similar work, and will consider using him again if the need arises.

**Brick wall, brick raised pond, sandstone patio** 9.3 / 10

The work completed was excellent. Professional approach, attitude and appearance. Very slightly let down by lack of communication regarding not turning up one day. We would recommend Scott and his team to friends and family. Will be using Acer again in the near future for another job. **Customer in Redhill, 9 October 2009**

**Removal of pergola, shed and trimming of trees** 9.8 / 10

Extremely pleased with how quickly the work was done. I was impressed with the tidiness of the garden afterwards and will certainly recommend them to everyone. **Customer in Crawley, 10 September 2009**

**Fencing Erected** 10 / 10

I would thoroughly recommend Acer Garden Landscaping. A very competitive price, excellent workmanship, extremely polite workman who turned up when they had said they would. The area was cleared, fence erected and the area left in a tidy state in a very short time.

I would happily recommend this Company as they obviously know their job and will be asking them to quote again soon for my Patio.
