#### Renovate sash windows and one large landing window.

9.3 / 10

Our sash windows are now in good working condition and fit for purpose. Robin was courteous at all times and explained what he was doing at each stage. Old windows by there very nature throw up all sorts of problems, ours was a bad case of woodworm in one frame which was repaired to a high standard with good quality reclaimed wood. **Customer in Bournemouth, 3 October 2011**
