Installed a limestone fireplace with a chamber for solid fuel

10 / 10

Clive worked solidly all day and didn't leave until the job was completed and everything was tidy. I am delighted with my fireplace, and was very impressed with how helpful he was in making sure every detail was just as I wanted. He even helped me to source a fire basket! Lovely guy, great workmanship, takes great pride in his work. Thank you Clive!

Gas fire and brick surround removed and new solid fuel fireplace kit and chimney pot installed

An absolutely brilliant job. Clive did not stop from the time of his arrival until he left in the evening. He recommended a fireplace kit supplier who were as good as his recommendation. I couldn't be more pleased with the resulting installation, Thank you so much Clive, a clean, reliable job that was also competitively priced. **Customer in Basingstoke, 8 December 2011**
