Resurfacing work - large area to be tarmac-ed in a school

10 / 10

The work was done to a high standard despite there being some access issues. The site was kept tidy over the 2 day period that the job took and all the staff worked really hard. A really good end result. I would highly recommend ADF Landscape and Paving Contractors **Customer in Cranleigh, 10 April 2012**

Block paved drive

An extremely professional job. Despite the weather and some unforeseen snags, no corners were cut; in fact the opposite is true. Andy went out his way to ensure that a professional job was done, resulting in an outstanding finish. **Customer in Woking, 16 November 2009**

Hard landscaping works.

ADF rebuilt the whole of our front garden, which included brick walls (72 meters) and a driveway of block paving (25 meters). Workmanship and attention to detail were excellent.
