plastered extension and skimmed existing 9.8 / 10

Dave and team did a fantastic job. They did a float and set on 150m of walls that were uneven to start and by the time dave finished, were straight as a die. They also skimmed walls and ceilings in existing house and married both new and old parts of the house perfectly. Great price, excellent workmanship and great value - top tradesman and thoroughly recommend. **Customer in Crawley, 30 November 2009**
