Very satisfied, no messing about, got straight on with the job. **Customer in Chobham, 7 December 2011**

Replacement of old large sash window with new

10 / 10

This is now the third piece of work that Alan has done for me and was carried out with the same high standards or workmanship, efficiency and politeness as all of the others. All was completed at the time stated, for the given price. The room where the window was exchanged was left in a very tidy state and all rubbish removed. Some unexpected additional plaster work was required, which wasn't really part of the window fitting quote - this was also done within the original price quoted and not charged as an 'extra'. **Customer in Woking, 5 December 2011**

Single story rear extension for lounge and utility area

On time and on budget. High quality work, reliable, clean and tidy. Changes handled timely and efficiently. Good suggestions to improve finish quality or to save cost if you wish. Would certainly use again. **Customer in Woking, 30 October 2011**
