 Adam is a very pleasant man who you can trust, which is very important, he carried out all the work needed to a high standard. This is his third visit and I would recommend him. **Customer in Southampton, 3 May 2012**

Repainted a masionette at the end of a bad tenancy. 10 / 10
 Adam was very reliable. He kept to all his appointment times and dates and kept in touch via e mail and 'phone. He was very friendly and helpful. I asked for him to carry out a full redecoration of a very dirty masionette and asked him to complete it within a very tight timescale as the condition of the property was stopping a re-let. In addition to the decorating he had to clean very unpleasant rooms and take up nasty stained smelly carpets. He and his team did all this in very good nature whilst working around another cleaner who had the job of cleaning the kitchen. All work done to a very good standard and in advance of timescale. He surpassed my very high standards and would not hesitate to recommend him or use him again. **Customer in Winchester, 23 March 2012**

Painted throughout my lounge, stairs and landing 10 / 10
 I was happy to take Adam's quote and not seek further ones since the price seemed fair but more importantly he comes across as someone who will be reliable and do a good job. This was to be the case, and he in some areas did more than

I had originally expected. I'm happy with the work carried out and can recommend his services. **Customer in Southampton, 24 February 2012**
