Most Recent Customer Feedback

Replacement Boiler

10 / 10

ADS Installation were kindly keeping our old boiler going whilst we saved for a new one. We had to bite the bullet when an expensive part failed. One of the ADS Installation engineers came out the same day to rep for the new boiler. The new boiler was fitted the day after. We were made a priority as we had a young child. We were more than satisfied with the finished work **Customer in Crawley, 15 December 2011**

Fitted new boiler and part replaced central heating system

9.8 / 10

Adam and his colleagues worked very efficiently in a difficult to get to system. Everything was replaced and tested upon completion of works and I would recommend them to anyone. **Customer in Horley, 15 December 2011**

New Hot Water Cylinder and Related Pipe work

10 / 10

The engineer called shortly before the agreed appointment to say he would be an hour late, this was due to him being delayed on an emergency call out. Once he arrived he promptly carried out the work, he was obviously well trained and polite **Customer in Crawley, 22 May 2011**

Service of Boiler and Installation of an air vent

10 / 10

The engineer turned up bang on time. He has brought to my attention that we need extra ventilation for the boiler, this was carried out on the same day. Very pleased with care taken in my home **Customer in Crawley, 20 May 2011**

Service of Boiler

10 / 10

Engineer turned up on time and made extra effort to protect the area he was working in. Have booked them up for next years service **Customer in Crawley, 11 May 2011**
