Most Recent Customer Feedback

- New patio** 10 / 10
 Adam's advice and workmanship were excellent. Instead of a boring rectangular patio he suggested a feature patio with a curve. The result was fantastic. Every evening the site was left clean and tidy. We recently had our garage door painted, he noticed this and covered it with a tarpaulin to protect it from any cement dust. We are delighted with our new patio and would certainly recommend him to others. **Customer in Littlehampton, 12 January 2012**
