### Most Recent Customer Feedback

#### Aerial installation and digital conversion.

10 / 10

Kevin had been warned it wouldn't be an easy one (four storey victorian house). He was reliable (the two previous traders hadn't even showed!), tidy and very thoughtful of my elderly parent's needs in the way he set up the system. He did a thoroughly good job and I highly recommend him. **Customer in Redhill, 23 April 2012**

#### Kevin installed a new aerial to two locators.
