I can't thank Mark enough for retuning my player. He took great time and trouble to make sure that everything was working properly, and answered all my questions with such patience. #### Relocation of satellite dish and upgrade to 8way LMB 10 / 10

Needed to get my Sky dish moved and attached to the house pre-wired RF distribution. From the initial quotation Mark was extremely helpful and professional. Mark was very accommodating of my requirements and even conducted a free visual inspection prior to the quotation. Mark arrived promptly and carried out the work to a very high standard. He was also willing to go above and beyond to get the job completed. I would strongly recommend Mark to other customers. **Customer in Epsom, 2 May 2012**

I was losing signal due to a bad install by a previous company, Mark sorted the problem by fitting a new pole, and re-tuning my dish. Excellent job and now have a good signal on all channels, and very reasonable price. Highly recommend !!! **Customer in Dorking, 26 March 2012**
