New Satelite Dish Intsallation

10 / 10

Paul was very friendly and efficient. Took a lot of care when setting up ladders over our conservatory. Also mentioned the pigeon activity on the old dish and fixed some bird spikes on the new dish free of charge. I wouldn't hesitate in recommending Paul at 'Aerials 4 U' and will keep his details should we need further work carried out. **Customer in Windlesham, 4 May 2012**

Installing new aerial and three way splitter

10 / 10

Paul arrived well within the time period specified. The work was carried out efficiently with minimum disruption. Before leaving, Paul tested that the aerial was working effectively, retuning the televisions where necessary. **Customer in Camberley, 3 May 2012**
