Scaffolding to front of property 10 / 10
 We have used AGR Scaffolding before whilst decorating our property and they were so efficient that it was just the natural thing to call them again, and once again they erected and dismantled the scaffolding on the days that we had agreed. We have already recommended them to our neighbours. Keep up the good work guys! See you again next time! **Customer in Brighton, 1 November 2011**

Erect scaffolding around whole of large detached building. 9.5 / 10
 This is the second time I've used AGR this year and on both occasions they have provided an excellent service at a very competitive price. Adam takes pride in the quality of his scaffolding and this is appreciated by both myself and the tradesmen who have worked on the building. I would certainly recommend AGR to anyone. **Customer in Hove, 1 November 2011**
