Installing replacement valve for shower faucet

9.5 / 10

Joe got the job done, was straight and direct with me, and gave me a fair and reasonable rate. He seemed to have plenty of experience and understands old houses (ours is over 100 years old.) He expected to be able to get here on a Tuesday but couldn't make it till the next morning; however he did arrive Wed. Morning first thing, as promised.

Found and fixed a leak in our shower pump.

10 / 10

Alan arrived early, he quickly found the source of our leak, and stopped it. He explained what he was doing, and gave sound advice to prevent future leaks. **Customer in Brighton, 28 April 2011**

Over bath shower.

9.8 / 10

A very good service - made every effort to provide us with the right type of shower for our property. Hard working, reasonable price and very helpful. **Customer in Hassocks, 22 November 2010**

Repaired burst water pipe.
