Efficient, friendly service at competitive prices. We are particularly pleased with a copy of our original windows with some stained glass that were perfectly replicated. **Customer in Morden, 7 February 2012**

Double glazing installed

Alaskan was recommended to me and I now recommend them on. Refreshingly straightforward to deal with; helpful and accommodating. The guys arrived early on the day, made little fuss or mess and my windows look beautiful! The price I was quoted is that I was charged and was considerably cheaper than some alternatives. Good value for money and excellent service. **Customer in London, 30 January 2012**
