New flat roof, barge boards, soffits and guttering

9.8 / 10

Easy quote to understand with the work being completed professionally with no problems. Fantastic to have builders at our home and with no problems. Would highly recommend. **Customer in Horley, 15 May 2012**

Moss clearance from roof

9.8 / 10

The estimate was by far the lowest received - the work was carried out promptly and to a very high standard. The two men that carried out the work were extremely polite and were obviously expert in their field. **Customer in East Grinstead, 2 February 2012**

Guttering

Came very early which was nice and the job has been well done. **Customer in Horley, 4 January 2012**

Clean gutters, fix one loose gutter, clean lichen off roof etc.

9.5 / 10

Came to house a few hours after contact, gave quote which seemed fair. Unable to start on day agreed because of unfinished work elsewhere but turned up next day. As we were away left gate open for them and they locked this on finishing. A neighbour confirmed they had done this. Work was done as agreed and pleased with it. Only one thing not completely happy. They had used my hose which was ok but had left about 20ft lying across the path and grass. Buckets were left lying about also a broom. Other things had been moved and not put back. Minor points but a little disappointed as everything else was fine. I would still recommend them. **Customer in East Grinstead, 25 October 2011**
