Conversion of loft

9.8 / 10

We have been so impressed by Albion Lofts throughout the conversion. From the beginning they kept us informed of the timetable and key decision points for us to get involved. In the final 2 weeks they were so accommodating to help us achieve the finishing look we wanted. In particular they have been really receptive of our needs to help the new loft blend into the rest of our Victorian house and came up with some good solutions in terms of the doors and banisters. Thanks so much Simon and the rest of the Albion team. **Customer in Haywards Heath, 19 April 2011**
