Clean, re seal drive 10 / 10
I noticed Mark completing a neighbours drive and was impressed with the standard of work. I asked for a quote and was very pleased with the speed of quote, the date started and work completed. When Mark put the first layer of seal down unfortunately the weather was against him (to his cost) and the drive never sealed correctly. This was not a problem and the work was re-done (Even on a Sunday) and Mark completed the work to my complete satisfaction. Mark is a good craftsman and indeed true to his word. **Customer in Southampton, 27 January 2012**
