Painted dining room and kitchen 10 / 10
 Did a great job particularly in the dining room as has a very high ceiling and difficult to access **Customer in Walton-on-Thames, 22 January 2012**

Installation of engineered wood flooring throughout flat, re-plastering of walls and ceilings, installation of suspended ceiling, painting throughout, electrical re-wiring of whole flat, installation of electric central heating system and many more smaller jobs. 10 / 10
 I cannot praise Sean and his workers highly enough. This work was completely carried out while I was overseas. The standard of workmanship and delivery surpassed my expectations. Sean was polite and courteous to neighbours and coped with difficult lease requirements on noise, cleanliness, requirements of communal areas etc. What a great job!

Painted and decorated hall stairs landing and utility room and a bedroom 9.5 / 10
 Very happy with all aspects of work and the fair price charged **Customer in Walton-on-Thames, 17 October 2011**

Lounge and cloakroom 10 / 10
 Sean and Pat did an excellent job on my lounge. It was quite a challenge as been neglected for a very long time. Sean lifted it to a completely new level. Sean gave me advice on colours and what best to use. Was prompt and very tidy, constantly keeping the dust to a minimum. The cloakroom was also done to a very high standard. Would definitely recommend Sean and his team. **Customer in Walton-on-Thames, 12 September 2011**
