Complete installation of an en suite shower/basin, loo and tiling. New build 10 / 10

We couldn't be more pleased with the way the work was carried out and the end result is excellent. The en suite is not the largest but appeared to present no problems for Gary. Although Gary originally under quoted for the work, he rang with a full explanation as soon as he realised and kept us fully informed at all times. Gary was always unfailingly polite, punctual and the quality of his workmanship is faultless. **Customer in Poole, 26 April 2012**

Floor tiling 10 / 10

Service and quality of work the best we have had. **Customer in Poole, 21 March 2012**

Re-tile bathroom floor and install bathroom ceiling panels 10 / 10

Gary re tiled our uneven bathroom floor and fitted ceiling panels. Very professional and work done is of high quality. Overcame problems quickly and offered alternative ways to achieve a good finish. Also dealt with suppliers, on our behalf, when we received broken goods that needed replacing. Turned up when he said he would and only invoiced us when the, delayed, job was completed. Recommended. **Customer in Poole, 24 February 2012**

Tiling entrance hall, bathroom and downstairs cloakroom 10 / 10

I would highly recommend Gary for all aspects of his work. He is a highly skilled tradesman who pays great attention to detail and produces a first class result. Always cheerful and tidy, the job was completed on schedule at the price quoted. **Customer in Poole, 1 February 2012**
