Flooring throughout our 3 bed house 10 / 10
Waited some time to add this feedback (over a year) but because of that I can say that the work Nick and Steve did for us not only made our house look great but that look has lasted. No subsequent problems with edges curling up or boards lifting, the flooring looks great and everyone remarks on it. We had several quotes done at the time and not only did Steve and Nick give us the best price but they seemed most professional and got the job done in a week which was what we wanted. Great work and would highly recommend these guys. **Customer in Hove, 7 February 2011**

Hard floor throughout flat and bedroom carpet

10 / 10

Really helpful and friendly guys. Took loads of (unpaid) time and several visits in beginning to ensure I was completely happy with my choice. Great work. Not flustered by tricky problems. Tidy. Fast. Floor has transformed our flat.

Would definitely use them again and recommend them to friends. Couldn't wish for more professional service.
