#### Cleaned and swept chimney and wood-burning stove

10 / 10

Anthony turned up exactly on time having first phoned and texted to let me know exactly when he would be there. He made every effort to keep our living room tidy, and he actually left it cleaner than when he arrived. The stove is drawing so much better now, and he also gave great advice as to maintenance going forward. A1 service - would happily recommend to anyone I know. Thanks for doing such a great job! **Customer in Sevenoaks, 19 May 2012**
