#### Resealing Shower, Fitting Door Knocker, Replacing damaged Tiling 10 / 10

Lots of little 'handyman' jobs but, having used Apache before I couldn't and wouldn't contemplate using anyone else. Arrived on time, polite, helpful, tidy and totally trustworthy. I'm very pleased with the results - my shower room looks like new. The pricing is always very thorough - you know exactly what you are paying for. Have now asked for a quotation to do some work on my kitchen... **Customer in Alton, 6 February 2012**

Kent and Andy of Apache were very professional, clean, tidy and reliable, they gave me a worst case scenario quote over the phone. When the job was complete they charged me substantially less than originally quoted. **Customer in Newbury, 23 January 2012**
