### Most Recent Customer Feedback

#### Erect new outdoor television aerial and connect 2 televisions to it 10 / 10

He was on time, efficient, clean and nicely spoken. He was friendly and reassuring - very ready to help with several questions I had regarding tuning etc. He cleaned up, took care to remove his shoes before going on carpets and was in all respects a delight. The job was reasonably priced, speedily done and very neat. I would not hesitate to recommend his service to anyone. **Customer in Waterlooville, 14 February 2012**

A first rate job and I couldn't be more happy with the work carried out. Also the fitter who did the work could not have been more helpful and offered some very valuable advice **Customer in Petersfield, 10 February 2012**

#### Inserted a "splitter" into an existing aerial. An awkward job given the location and constraints. 9 / 10

#### New aerial fitted in loft and additional outlet fitted in dining room. 10 / 10

Extremely pleased with this company. Rang Shane on Monday, he visited on Tuesday (on time) to look at what needed doing and give us a quote. Shane was friendly, quick and efficient, no fuss and no flannel! We agreed the work was to be done on the Friday, again he arrived on time. He completed the work in 1hr 30 mins to a high standard with no mess. The charge was exactly as he quoted. Would highly recommend him and would certainly use him again. **Customer in Southsea, 3 February 2012**
