MOT

10 / 10

I have had 2 MOT done now and 1st Class Service
Collection and Delivery of Car to work
Could not fault their service and friendly outgoing people - a refreshing change
Highly Recommended **Customer in Fleet, 23 May 2012**

New Turbo and MOT

10 / 10

Would highly recommend this garage. They go out of their way to help and get the work done quick and to a very high standard. Always kept informed of any extra work needed and genuine lovely people. **Customer in Farnborough, 13 April 2012**

Replacement radiator

10 / 10

Have been using Approved Autos for some years now. All the work done has been to a high standard and never needed re-visiting. They diagnose while you wait without charge in my experience. I just had the radiator replaced but I always get them to do my MOT as well. If it fails it gets fixed usually within the same day. They do a good deal on tyres as well so it is always worth getting a quote. I pay by bank transfer which seems to work well. **Customer in Fleet, 21 March 2012**

Major service on a VW Golf

10 / 10

Approved Autos were recommended by our daughter and son in law as we previously had had problems with the main agent. They picked up the car in the morning and dropped it in the evening. They did a good service on the car at a reasonable cost **Customer in Lightwater, 22 February 2012**

Diagnostic for engine and abs fault

10 / 10

Had the car a couple of days earlier to see if they could do a quick fix but had to re-book at a later date. Always helpful and polite with coffee and homemade cookies offered. Kept me informed of costs and time. Spot on with both. Mercedes would have been at least double. Already recommended a friend. 10/10 for everything. Will use them in future for all car problems. Even my wife felt comfortable here, which is unusual for a garage **Customer in Camberley, 16 February 2012**
