Aqua Bathrooms were very helpful and started work a week before their estimated start date. They completed the work to schedule and the quality of workmanship was excellent. They provided regular feed-back and were courteous and positive at all times. **Customer in Fareham, 13 January 2012**

Found the men extremely polite and friendly. Left the place tidy end of each day. Also never left without water or heating as this was important as we have a 89 years old dad. Extremely pleased and would recommend them. **Customer in Fareham, 13 January 2012**
