#### Variety of trees and hedging pruned and trimmed. 10 / 10

Henry and Mike have done a marvellous job with the trees and bushes, everything has been shaped nicely and not just lopped off. The areas they worked in were left tidier than when they arrived. I would definately ask them back when there is the need. I would highly reccomend this company. **Customer in Southampton, 27 February 2012**

#### Garden Willow tree lopping 10 / 10

Arrived on time, checked on my requirements for the work, when part complete checked with myself again if the level was about right, before proceeding with the lopping of the rest of the tree. A fast efficient service provided by HRG Tree Services - very satisfied! **Customer in Southampton, 27 February 2012**
