Pruning, pollarding and removal of trees and shrubs 9.8 / 10
Peter was friendly and competent in assessing the work to be done. His team carried out the work exactly and checked with me as they finished each tree to ensure it was as I wanted. Nothing was missed and they left the garden in a really tidy state. I would, without hesitation, contact them again for any future work. **Customer in Ferndown, 23 October 2011**

Hedge cutting 10 / 10
This is the second time I have used Arborvitae Tree Care. I would not hesitate to recommend them to friends and family. The first time I used Arborvitae Tree Care my very large and out of control hedge was beautifully cut, however not cut back as much as I was expecting. With One phone call to Peter he was back the next day and adjusted to my liking without any quibble or hesitation or extra charge!. Hence the reason for my using this company again and will do again in future. I am very happy with the service I receive. **Customer in Bournemouth, 5 October 2011**
