New bath taps installed

10 / 10

Taps replaced on bath by Alan originally had a fault and had to be returned to suppliers which he took care of. Alan then replaced taps quickly and at no extra charge. Can't rate him highly enough, brilliant. **Customer in Portsmouth, 3 April 2012**

Plumbing, tiling and general repairs

10 / 10

We have used ARC on a number of occasions and have always found the quality of work to be good, the speed of responsiveness - excellent, and the communications - outstanding. ARC has done plumbing, tiling and general repairs for us. We are very happy to continue to use ARC on our properties in Southampton. Thanks for the great service! **Customer in Southampton, 30 March 2012**

Guttering fitted to awkward roof

10 / 10

I have never before come across such a reliable, efficient, courteous, tidy, thorough tradesman as Alan Sheehan. I had given up on another man who had failed to get even an estimate in 3 months, so sent an enquiring email to Alan's Company. Within a few minutes I received a phone call (and on a Sunday as well!), then a day later received an estimate, and in less than a week the job was finished. You would not know that he had been to do the work as the area was left in such an immaculate condition. Thoroughly recommended. **Customer in Southampton, 24 March 2012**
