Drain CCTV survey.

10 / 10

ASL Ltd came out promptly and swiftly diagnosed a problem drain that was the cause of rat infestation. Steve was very experienced and knew what he was looking for. I was also impressed they did this in under 1/2 hour and didn't look to exploit more time to increase the price. Excellent service and good value.

Unblock Problem Drain

9.2 / 10

Where there's muck there's cowboys but not with ASL Ltd. On time and very courteous in unblocking problem drain. Didn't give up at the first hurdle, worked until it was cleared. Excellent at explaining all the remedies.

Don't bother thumbing through the yellow book just give these guys a call, at least you can be sure of a proper, thorough job.

Highly recommended.
