Low hot water pressure issue with boiler

10 / 10

Martin popped in when he said he would for a quick diagnosis of the problem. He stated how long it would take to remedy and the cost. Martin then attended the arranged appointment on time and fixed the issue which was different to what he had first thought. The job took longer than he expected but I was still charged the same price. Martin was polite, prompt and provided an excellent service. I have never been so impressed by a workman in my house. **Customer in Southsea, 11 November 2011**

Repair to gas oven

10 / 10

Martin did an excellent job of fixing my not-very-common cooker, with a speedy response, and a very reasonable charge. Martin has carried out work for family members many times in the past, and I would have no hesitation in recommending him to prospective customers. **Customer in Waterlooville, 5 October 2011**

Full descale of plumbing system

10 / 10

Martin carried out his work and completed it earlier than he anticipated. He gave me a full run through of the work carried out and how to check for any problems myself. Very courteous with an easy going manner and his workmanship appears to be very good. He was recommended to us by a friend and I would certainly recommend him to others. **Customer in Southampton, 3 August 2011**
