#### Boiler service and monthly insurance plan

10 / 10

Very happy. Appointment was made and the engineer arrived at the given time. Serviced the boiler and I have now become a monthly insurance plan customer. Excellent Value. I have used them before and will continue to use Aura Gas. **Customer in Waterlooville, 27 August 2010**

#### Broken Boiler - No heating or hot water

10 / 10

I have 3 children and hot water is a priority to us. I gave Aura Gas a call in the morning and Gary came out within a couple of hours to fix the problem. Gary explained for future I can have a plan which covers me in case anything like this happens again, my water and heating will be fixed - it's that simple.

I do not have spare money so knowing we are now covered for a small monthly amount in case it happens again is a weight off of my mind. A very pleased and warm lady - "Thanks Gary." **Customer in Chichester, 27 August 2010**

#### Supplied and fitted new gas fire

10 / 10

I chose the fire from the internet and they did the rest. Sourced it at a cheaper price, arrived and fitted it as agreed. The area was left spotless when they had finished and the quote was kept to. Brilliant value for money! You couldn't want for more with these men. **Customer in Petersfield, 23 August 2010**

#### Service and repair of boiler

I have never dealt with such professional people!! The job was done with ease and the price was very fair. I would never choose to use anyone else. **Customer in Portsmouth, 23 August 2010**

#### Emergency call out.

10 / 10

I noticed I had a leak at around 6pm. I called them and even though I am not a priority customer it was no trouble to the call out engineer. He came and repaired it within an hour and I have now taken a maintenance plan. Peace of mind for a very reasonable monthly fee. Thanks Aura Gas. **Customer in Havant, 22 August 2010**
