**New tarmac driveway** 10 / 10  
Professional and efficient job done. We are really pleased with our smart new drive and planting bed. Work involved resurfacing an area of existing tarmac adjoining a newly prepared and surfaced area to replace our previously unusable beach-like shingle drive. They responded to our brief to complete work as cost effective as possible, using existing edging where possible and resurfacing the area of existing tarmac. Courteous and helpful staff who allowed for pushchair access while working. **Customer in Eastleigh, 2 November 2011**
