#### Deep and thorough clean of Ford Mondeo

10 / 10

My 8 year old Mondeo estate has spent its life transporting at least 1 dog to and from the park twice a day, shifting refuse to the tip, coping with food and drink spilt by passengers (and me) and generally getting filthy. The transformation achieved by AMV in 2.5 hours of hard work by two men was extraordinary. AMV has given my car a new lease of life and my children are happy to get in it again! I was kept informed of AMV's arrival, an update on progress of the work and assurances that any problems or missed areas (they finished after dark) would be attended to. Excellent customer service, excellent work. I would not hesitate to recommend AMV. **Customer in Kingston-upon-thames, 29 September 2011**

#### Interior valet following spilt milk

10 / 10

Managed to spill a pint of milk behind the passenger seat Sunday before the hottest day of the year so you can imagine the smell! Nothing would shift the problem so found AMV via this site and gave them a call. They were really helpful and explained what they could do and a firm quote was given, They arrived the same day and carried out the job to perfection. I honestly cannot believe how clean the car seats now look (I'd been covering them under some pull-on seat covers as they were so badly stained). Really polite and helpful and I can definitely recommend their service. Just amazing :-)
