I was very pleased, the workman stayed very much concentrated in doing his job. I felt his work was of a very high standard. He would be my future choice to do anything electrical and where honesty is required. **Customer in Alresford, 5 April 2011**

Steve and his team couldn't have been better. Polite, tidy and efficient. They worked extremely hard to get extra cables down the existing channels to avoid having to re-decorate the hall stair and landing. I recommend them highly and would call them again for future work. Thanks again. **Customer in Waterlooville, 29 October 2010**
