**New fascia, guttering and soffits fitted** 10 / 10  
Old guttering etc in drastic need of updates. I was given this company on word of mouth and very glad I did. Competitive pricing and friendly staff. They arrived a day early (after checking this was ok) and work completed sooner than expected too. They also fitted new board and did some pointing near roof tiles with no charge or issues. Very very happy with them and would highly recommend this company. **Customer in Southampton, 5 February 2012**

**Repair to soffit at front of property.** 10 / 10  
They appeared to be efficient and did not waste any time, not being an expert on the problems of soffit it is not easy to know details. The finish looks good. I would recommend this company. **Customer in Southampton, 13 December 2011**
