Small Flat roof over new storm porch - 10 / 10
BDS Leadwork were instructed to carry out remedial work to my porch roof, which, was laid the previous week (by a different contractor) and finished to a very poor standard. Ben Shefford gave sound advice and made positive suggestions on how he intended to rectify the problem. The job was finished to a very high standard. I was impressed not only by his attention to detail, but also by his pleasant demeanour and communication skills. **Customer in Worthing, 7 October 2010**
